WINEMAKER'S NOTES

Our winemaking protocol demands separate small carefully temperature regulated fermentations for each varietal providing optimum treatment for each Cabernet clone as well as for our Malbec and Petit Verdot. These wines are carefully pressed direct to barrel and are aged separately until rigorous blending trials the Spring before Summer bottling. Each individual barrel is tasted for uniqueness and provides an essential blend diversity that typifies our wines as well as an exceptional 22 month ageing period.

TASTING NOTES

Focused, complex aromatics of layered ripe dark berries laced with traces of forest floor deliver an inviting entry. The lush round mouthfeel reveals a concentrated blend of red and black berries with a touch of blueberry. Dark cherry, Valrhona cocoa and hints of baking spices appear and seamlessly integrate with the rich berry essence as the wine lingers on the palate. Fine-grained oak and supple tannins provide the backdrop for this elegant, age-worthy wine.

FOOD PAIRING SUGGESTIONS
